**Beech Street Property Sold.**

## AUDITORIUM.

Beginning with a matinee yesterday and with a change of show on Wednesday and Friday, the Auditorium is presenting one of the best tabloid comedy organizations in the country. This is the company headed by Ben Lovering, well known in musical comedy. In his cast are several clever principals and a cast of chorus beauties. Loring himself is one of the funniest comedians on the stage today, being particularly amusing in his "Hey, Rubie" and "Old Joe" characterizations. The offering for tomorrow and Thursday will be No Man's Land, a brand new musical comedy with a good story and an unusually tuneful musical score. The ten bewitching chorus damsels will have opportunity in numerous dancing specialties and also in the olio between the acts. Another great feature on this first program is the singing of Madeline Buckley, a soprano with a very fine voice, which is worth the price of admission alone.

Tomie Mix's new picture, Western Blood, is well named. The crowds at the Auditorium theatre thoroughly enjoyed the play yesterday. The play will be continued at the Auditorium theatre today and tomorrow.

## BREED THEATRE.

In Loaded Dice, it is believed Frank Keenan, the Pathe star, has one of the strongest stories of his photoplay career. The story is that of a man who believes there is no God. Unscrupulous, forceful, dominating, he at last realizes his ambitions and becomes the governor of his state. And then, at the height of his power, the hand of God shows itself. The picture portrays a character and a belief (that of it) that is not uncommon in public life. And there is a moral there that is obvious. Loaded Dice is the feature attraction at the Breed theatre today and tonight. Other pictures on the bill include the 13th chapter of the Eagle's Eye and the Hearst-Pathe news.

Ambassador James W. Gerard whose Great Picture "My Four Years in Germany" is Now Being Shown at the Davis Theatre.

## Cuticura Heals Itching Pimples

All Over Face and Arms. Large, Hard and Red. Face Was Disfigured. Treated 6 Months.

Nothing Purer, Sweeter For All Skin Troubles Than Cuticura.

"When working I had to use oil, and it got into my face all over my face and arms. After a while pimples came and caused a lot of itching. The pimples were large, hard, and dark red. They itched every minute causing me to scratch. Every part of my face was disfigured.

This trouble lasted six months when I saw a Cuticura advertisement, and I made up my mind to try them. After three weeks I was completely healed." (Signed) Joseph Pello, 218 Wallace St., New Haven, Conn., August 25, 1917.

How often such distressing, disfiguring skin troubles might be prevented by early use of Cuticura Soap and Ointment for all toilet purposes.

Sample Each Free by Mail. Address postcard: "Cuticura, Dept. B, Boston." Sold everywhere. Soap 25c. Ointment 25c and 50c.

was headed by George A. Parker, state superintendent of parks. In the morning the party visited the A. N. Pierson's rose gardens in Cromwell.

Stamford. — Schuyler Merritt of Stamford, representative in congress from the Fourth Connecticut district, addressing Yale alumni last week, warned against what he termed the "socialistic tendencies" which are gaining root in this country. After the war he hoped the pendulum would swing the other way. He said that a socialistic state must have an autocratic executive and he could think of none that would give less liberty to its people than one of that character.
